

Birthday Party Themes

Animal Parade

Have a close encounter with the furry, scaly and slimy, then dress up as your favorite animal and parade through the Museum.

Forts and Fairies*

Set free your imagination in the woods (Museum's Paw Paw Nature Trail). Build a fort or fairy house in our woodland garden with the help of a Naturalist. Don your fairy wings or your favorite prospector gear and play in the forest creating amazing habitats for woodland critters.

Grandpa Tree

Party around the "nighttime fire" with Grandpa Tree, Charlotte's only talking tree. Share stories with Grandpa Tree and his many woodland friends that call the forest home. A magical journey through the enchanted forest you'll remember for many birthdays to come.

It's a Turtle Party

Pancake, box, snapping, yellow-bellied, red ear, painted turtles and more. Join Texas Pete, our Texas tortoise, as he introduces you to his many turtle friends. Your party will be a turtle success.

Junior Curator**

Working at Charlotte Nature Museum requires a great team... bring your friends and experience life as a curator, don a Charlotte Nature Museum vest, feed animals and get to know the Museum behind-the-scenes.
